From 17-25 April 2012, one thousand Quakers from five continents will gather in Kenya for the 6<sup>th</sup> World Conference of Friends.

Several Friends from Aotearoa New Zealand will be attending. This seminar weekend is an opportunity to both prepare those Friends headed to Kenya for the journey ahead, and to share the World Conference experience more widely throughout the Aotearoa New Zealand Quaker community. The theme of the World Conference is "*Being Salt & Light – Friends living the Kingdom of God in a broken world.*"

Themes to be explored at this Settlement seminar are: the history of Friends worldwide; the theological, ideological and cultural challenges of maintaining a diverse global Friends community; the practicalities of visitation in East Africa; and the unique contribution of Aotearoa New Zealand Friends to the worldwide Quaker family.

Come and share the journey to Kenya, and learn more about the international Quaker experience.

*Assistance with costs may be available. Please approach your MM Elders and Oversight Committee.*
